3. PETS: Pets are not allowed at any time without consent of the owner. Please contact the owner, prior to your stay, if you would like to bring a pet with you.

4. CANCELLATION: Once Owner accepts a reservation, the Cabin is taken off the market, and any other potential rental is then impossible. Because of this fact, we cannot accept cancellations - you will forfeit all sums paid unless Owner is able to re-rent the property to another tenant for the same period. Owner will use reasonable efforts to re-rent, but there are no guarantees. If Owner is able to re-rent the property, you will be provided a refund to the extent full rent is received from the new tenant. Your booking is not confirmed until the Deposit is received. If the amount shown as due 30 days prior to your stay is not received by that date, the reservation will be terminated, and Owner will attempt to re-rent for that time period - if we receive a new rental prior to the receipt of your payment that is due 30 days prior to your stay, we will re-rent to the other party, and your Deposit will be returned in accordance with the cancellation provisions shown above. If we do not receive your final payment, your reservation will be terminated, and if we receive a new rental prior to the receipt of your final payment as shown above, we will re-rent to the other party, and your prior payments will be returned in accordance with the cancellation provisions shown above.

specified will be keyed into the front door lock. The entry code WILL NOT be keyed in if a balance is owed or if the Owner has not received a signed rental agreement.

6. **CHECK OUT:** Check out time is 10:00 am, SHARP. Please be considerate and remember that it takes 5 hours to clean and turn around the unit for the next occupants, who could be waiting outside to get into the unit. Owner is charged a \$75 expedite cleaning fee if you are not out by 10:00 a.m., so your deposit will be charged \$75 for a late check-out.

7. **DEPOSIT:** Your credit card information (#1 above) is required as a security measure incase the property is damaged or soiled (i.e., red wine stains on the couch) beyond normal wear and tear, or if there are any items missing. You will be responsible for all costs and expenses incurred for the repair of the damage by qualified and licensed contractors. Any excessive cleaning costs incurred due to dirt, spills, and use of the Property beyond the normal use will likely be charged at your expense.

8. **TELEPHONES:** You must use credit cards, calling cards or call collect when making long distance telephone calls. There is no charge for local calls. Cell phones currently do not work at the Property.

9. **WHAT WE SUPPLY:** The property is equipped and set up as a fully furnished property that will include bedspreads, linens, blankets, pillows, towels, as well as a fully equipped kitchen, TV, furnishings, and BBQ grill. Although we made every effort to anticipate most people's needs, WE MAY NOT HAVE ALL THE ITEMS YOU MAY BE ACCUSTOMED TO HAVING AT YOUR OWN HOME. If there is a special type of item you are accustomed to using such as a special type of cooking utensil, etc. please provide for those items by bringing them with you.

10. **WHAT YOU SHOULD BRING OR BUY:** Although the bathroom will be stocked, you might want to bring with you personal items such as bath soap, shampoo, or any other personal toiletries. We also supply two roles of toilet paper for each bathroom. While we make every attempt to have items such as paper towels, dish soap, cooking spices, salt, pepper, trash bags, and other non-perishable items; it is possible these items were completely used by the last renter. We do not supply unlimited quantities of these items, they are your responsibility. Generally, the kitchen has some basic staples the Owner or a prior renter left at the unit and the cleaners did not throw out. **We are not responsible for food or drink related items found in the unit when you arrive.** To be responsible for these items would require us to throw out everything related to edible items after every renter, and we have discovered that by far, most renters DO NOT want to have to go shopping and purchase all food staples when they are on vacation. So please use common sense. If anything looks unfit, don't eat it and toss it. **If you have any problems with this, please do not use anything that you have not personally purchased yourself and purchase all your own foodstuffs.**
